Henry Herndon Curtright

Elizabeth Kephart Curtright

In Dedication and Remembrance of

Henry Herndon and Elizabeth Kephart Curtright

The dedication of this book is to Henry Herndon Curtright and Elizabeth Kephart Curtright. They were owners of the Curtright Funeral Home from 1927 until 1972.

Mr. Curtright was born May 5, 1901 at Shelby County, Kentucky and died July 13, 1967. He was interred in Pleasureville Cemetery in Henry County, Kentucky. His wife Elizabeth Kephart Curtright was born June 23, 1900 and died February 9, 1984. She was interred in the Pleasureville Cemetery also.

Mr. and Mrs. Curtright were pioneers of the early history of Louisa, Lawrence County, and surrounding area.

Through the graciousness of the Curtright family, daughters: Ann Beth Curtright Peters and Linda Curtright Fugitt, these records are offered as a historical preservation project.

Mrs. Elizabeth K. Curtright was a Daughters of the American Revolution Regent, from 1945 to 1947 and both daughters Ann Beth and Linda are DAR members.

With sincere appreciation, the Daughters of the American Revolution, Louisa Chapter, gratefully acknowledge this wonderful gift in the name of their parent. Permission to print these records would not have been possible without their generosity.

A Note . . .

We have included the name of the decedent, the date of birth, the date of death, and the cemetery where the interment took place. In a few cases the decedent was removed to another cemetery and we have tried to note the interment to the second cemetery.

The cemeteries are listed with notations of locations were possible. The cemeteries that have no notation following the name of the cemetery are supposedly in the Lawrence County, Kentucky area. Most of the West Virginia cemeteries are in the Fort Gay area unless noted. Some cemeteries were not listed but a town or state was.

The following information has been copied as was written on the Funeral Home Record Sheet, including misspellings and other notations. Some times the record included a maiden name of a married woman and where it was not included we have typed it in parentheses ( ).

Attention should be made to the use of *Louisa Burial Park*, this is now Greenlawn Cemetery.

There are 4,301 names listed. This is from the year 1927 to 1972, a span of 45 years. We apologize if a record is missing or was excluded. The records may not have been complete at the time of recording.

Thank You
